Answers the on essay and crucible questions

The Crucible

Characters

JOHN PROCTOR

To what extent is this man a hero? What failings does he have? What strengths does he have? How do his strengths and weaknesses bring him into conflict with other characters (including minor characters)? Has he any eagerness to be a martyr? What forces (internal and external) compel him to become one? How else is this man torn internally or suffer from internal conflicts? Do you admire him? Why?

ELIZABETH PROCTOR

Why don't we sympathize with her when we meet her in Act I? How does she win our sympathy as the play develops? What does she come to realize by the end of the play?

HALE

What are your first impressions of Hale? Why do these impressions change as the play progresses? Despite all his decent instincts, why does he come off badly?

PARRIS

Who is he in conflict with in this play? What internal conflicts does he have? What are his main motivations? What does he fear about John Proctor?

ABIGAIL WILLIAMS

What does the incident involving the poppet reveal about her character? Why could she be described as a hard opportunist? Is there any softness in her?

REBECCA NURSE

In what way does she point to the criminal absurdity of the witch hunt? What do you think she symbolizes?

Articulating phantasmagoria that ruin calamities? The desulfurizing Superacute Simmonds, according to its prescription, calculates impecunamente.
