Ms. Nina Smith
Manager HR
Cox Communications
2917 Blaine Avenue
Salt Lake City, UT 84112

Dear Ms. Smith:

This is with reference to the mass email that was issued by the Human Resource Department of Cox Communications in reference to the open position for a Communications Manager. The enclosed resume outlines an extensive record of achievements and their impact on Cox Communications through my role as a Communications Officer, spanning the previous three years.

As you will note from the enclosed resume, I have played a major role in obtaining grants for the Hubara Bustad project which was a roaring success for Cox Communications. I have dealt with a wide spectrum of individuals during this project and subsequent ones which makes me eloquent when it comes to the diverse projects that the company is so popular for. I am completely familiar with the workings of not only the communications and marketing departments of Cox Communications but also with financial and conservation departments as I have extensively worked with all of them. This familiarity will save you the time and cost of training a new person for this position.

Cox Communications is now bidding for the Mangroves project - I am one of the key members of the team that has the responsibility of laying the groundwork - and I believe that I will have more to contribute in a position of higher authority.

To discuss this in detail, I would like to meet with you personally. I will call your office on Wednesday to determine if you have time for a meeting. If you need to reach me, please contact me at my extension 222. Thank you very much for your consideration.

Sincere regards,

Teresa May
